

Posh Bunnies Rabbitry Sales Agreement

TERMS & CONDITIONS

You must be 18 years or older to purchase a Rabbit from us, no exceptions!

PLEASE QUARANTINE YOUR NEW BUNNY OR BUNNIES FOR A MINIMUM OF 10 DAYS BEFORE YOU INTRODUCE THEM TO ANY OTHER ANIMALS IN YOUR HOME (INCLUDING OTHER BUNNIES).

By agreeing to these terms and conditions you confirm that you have been notified of the requirement to quarantine your bunny and that we are not liable for any illness resulting from improper quarantining.

RETURN POLICY

- All sales are final. We do not issue returns or refunds.
- We take full responsibility of your bunny's (or bunnies') health and wellbeing while it is in our care. Once they leave our care, we are not responsible for any medical or dietary needs. We give you a limited health guarantee of 7 days. In the very unlikely event that a bunny should pass away during those 7 days, a Licensed Veterinarian has to inspect the bunny and send us a written statement with the cause of death. Should the Veterinarian determine that we caused the death here in our rabbitry, we will replace your bunny for a bunny of equal or lesser value.

Once the 7 days have passed, the bunny or bunnies are your sole responsibility.

Please note that we will NOT replace a bunny if your bunny dies due to stress, improper quarantine, unhealthy diet, neglect, choking, electric shock from chewing on an exposed wire, an animal attack, freezing, heat stroke, dehydration, being freighted to death or any other reasons that do not involve us directly causing the bunny's death.

-We do offer a 48hr deposit return for Show Bunnies. The show quality of a bunny is our opinion and we do not guarantee show outcomes, it is your responsibility to inspect the bunny and determine its show potential and ensure that it is free from disqualifying faults. **You will have 48hr after the deposit is paid to come and inspect the bunny.** If upon inspection, you determine, that the bunny is not a show bunny for your standards, we will issue you a full refund of your deposit. If you do not come to inspect the bunny within 48hrs the deposit will be considered forfeited and will NOT be refunded.

If you inspect the bunny and determine that it is up to your show standards and you sign the "sales receipt and pick up confirmation", the sale is considered final and we will not issue any refunds for said bunny thereafter.

- Please understand that even though we make all efforts to identify the gender of the bunny correctly, occasionally, a bunny gets sexed wrong. There is only a very slight difference in their genders when they are very little. If it turns out that your bunny is not the gender you wanted, we will replace the bunny for a bunny with the gender you want as soon as one becomes available. Please note that we will only do this for bunnies that are 12 weeks or younger (Your bunnies date of birth is on your final sales receipt and or on your birth certificate). You must return the bunny to me, in unaltered and healthy condition within 3 days of contacting me to receive your credit towards a new bunny. We keep record of which genders were requested and will only issue a replacement if you specifically asked for the opposite gender. We will not replace your bunny if you checked "No Preference" in the gender section of our wait list form.

We understand that life happens and sometimes families are unable to keep their bunnies. We always encourage families to find them a new loving home before contacting us, if you are unable to find a suitable home for your bunny, we will be happy to help you find one. We can only accept a limited amount of surrenders from our families, as our quarantine area is small and often full, but if we have room we will gladly take your bunny in.

Please note that no refunds will be issued for surrendered bunnies.

Thank you for your understanding.

PEDIGREES AND BREEDING RIGHTS POLICY

Pedigrees are available for show bunnies or brood bunnies (for breeding) for an extra fee of \$60. This includes a full Pedigree and the tattooing of your bunny's ear.

We do NOT issue breeding rights to everyone, we work hard to keep our herd healthy and very comfortable. We believe that all bunnies should be treated with love and respect and should be raised in a clean environment. We will not contribute to backyard breeding and will not issue breeding rights if we feel that you do not share our views and believes on how brood bunnies should be raised and treated.

By initialing, you hereby agree and understand, that bunnies sold as "pet only", do not come with breeding rights or a pedigree. You understand that if your bunny or bunnies get bred, intentionally or accidentally and you decide to sell them for a profit, we will have the right to pursue legal actions against you.

- By initialing, you hereby agree and understand that if you decide you want a pedigree for your bunny down the road, you can contact us and we can discuss it. You understand and agree that the issuance of said Pedigree will be at our own discretion. Please note that the fee of \$60.00 will still apply and you will have to bring your bunny in for the tattooing.

- By initialing, you hereby agree and understand that the Show Quality of a bunny is determined by us and is our opinion. We do not guarantee show outcomes. We will definitively point out known faults but it is your responsibility to make sure the bunny is up to the show standards and will not be disqualified.
